# Paracera<sup>®</sup> CS range

High-purity waxes for personal  
care & cosmetics

## Formulating solutions. Together.

Unlock the full potential of your formulations with our synthetic waxes. This premium range of high-purity waxes are vegan, cruelty-, mineral- and microplastic-free.

Featuring a highly linear structure, they deliver exceptional consistency, performance, and versatility across a wide variety of cosmetic and personal care applications, such as sticks, creams and hair products.

Product	Color	INCI name	Viscosity (mPa.s) ASTM D3236	Congeaing point (°C) ASTM D938	Penetration @25°C (*0.1mm) ASTM D1321
<b>Paracera CS 85</b>	Max. Off white	Synthetic wax	2-6 (120°C)	79-85°C	4-12
<b>Paracera CS 87</b>	Max. Off white	Synthetic wax	2-6 (130°C)	81-87°C	3-8
<b>Paracera CS 99</b>	Max. Off white	Synthetic wax	6-10 (130°C)	90-96°C	1-3

The Paracera® CS waxes are produced in a FSSC 22000 certified food safe production environment.

**Enhanced oil gelation & long-term stability**

Increases viscosity and phase compatibility.

**Improves rheology & texture**

Ensures a smooth and even application.

**Glossy appearance with a dry finish**

Radiant shine without greasiness.

**Strengthens stick formulations**

Improves hardness, glide and heat durability.

**Water resistant & long-lasting wear**

Suitable for sunscreens and color cosmetics.

**Low odor, high purity**

Minimizes usage of fragrances.

**Excellent compatibility**

Blends seamlessly into diverse formulations.

**Skin-friendly & hypoallergenic**

Suited for sensitive skin.

# We are Paramelt

When your products depend on the consistent performance of waxes, adhesives, and coatings, reliability becomes essential. Today's manufacturing challenges, from supply chain volatility to increasing regulatory and sustainability demands, require partners who respond with certainty and expertise. Many of the world's most trusted brands rely on Paramelt for dependable quality, secure supply, and deep formulation knowledge in demanding applications. We collaborate closely, support your goals, and help you move forward.

We listen, adapt and deliver!
